

Talk for Change Data Protection

The Talk for Change access service adheres to the Data Protection Act 1998's principles of good information handling. Information will be fairly and lawfully processed, processed for limited purposes, adequate, relevant and not excessive, accurate and up-to-date, not kept for longer than necessary and secure.

We reserve the right to disclose information given in confidence to a relevant third party which poses a risk to the service user, or to another person or poses a risk to the safety and welfare of a child.
